## CITY ADMINISTRATOR UPDATE

---

---

Hello again citizens of Sodaville, it is hard to believe another month has passed. I hope everyone had a fun and safe 4<sup>th</sup> of July weekend, and even though temperatures were in the 90's, it was much better than over 110! Of course, as in past years, we are now under a water restriction as of July 1<sup>st</sup> due to the hot weather and the lack of rain. The wells simply cannot keep up with demand, and we are forced to buy water. I will be working with various other agencies to try and resolve this issue.

Sadly, we were not selected to receive grant money to complete the park. In the email, they stated they "received 27 applications that totaled over \$232,000." That was much more than they had to give out, so I will be on the lookout for other opportunities to complete the park project. – City Administrator Kevin Urban

## PUBLIC WORKS UPDATE

---

---

Our wells are no longer keeping up with the cities demand for water, they are being closely monitored. We will soon be having water trucked in from Lebanon. Which as most are probably aware this comes at a considerable cost.

With the current water restrictions, you may be curious as to how you can fill a swimming pool or other large containers of water. There are several companies relatively nearby that haul potable water for just this purpose.

Thanks for doing your part to conserve water at this time! – Public Works Director J D Burns

## MAYOR MESSAGE

---

---

I hope everyone had a fun & safe July 4<sup>th</sup>, celebrating our Independence & Freedom, the gifts of being an American!

Sodaville City Hall is now open to the public. Kevin is in the office Monday – Thursday 8:30AM – 4:00PM, please feel free to stop by if you have any questions or concerns.

We are on strict water restrictions as of July 1<sup>st</sup>. Please be mindful of your water usage. This year we are starting early as we had light rain throughout our Fall, Winter, Spring seasons. Last years fires were absolutely frightening and can happen at any moment. Let us all do our best to conserve the little water we do have and do what we can to not provoke any fires this year.

Have a great July everyone... stay safe out there and enjoy this beautiful weather!! – Mayor Lori L. McAllen

---

---

## STRICK WATER RESTRICTIONS - 7/1/2021 UNTIL FURTHER NOTICE

---

---

City Resolution #03-01 in accordance with Ordinance #15-02 allows the City of Sodaville Water Utility to impose a penalty for unauthorized use. This penalty is \$500.00 per offence plus water used and will be enforced. This is a NO TOLERANCE ORDER.

---

---

## CITY OF SODAVILLE FUTURE GOALS

---

---

Things we are looking into for the City of Sodaville:

- An online payment system.
  - Newer more efficient water meters.
  - New seating and picnic tables for the parks.
  - More landscaping for the parks (Drought Tolerant Evergreens).
- 
-
