Adjourn

PUBLIC COMMENT There are two times at every regular City Council meeting when the public has an opportunity to address the City Council. The first time is reserved for questions or statements regarding items appearing on the agenda, except public hearings and the merits of land use issues. The second time is at the end of the agenda. At this time, you can address the City Council on any matter of public concern, other than an agenda item. The Mayor will announce the time for public comment, and invite persons to address the City Council. Each person has three minutes to address the City Council. ***PUBLIC COMMENT is not accepted during the meeting other than at those times.***
