MAYOR MESSAGE

Merry Christmas & Happy New Year's to each and every one of you!! I hope you are all doing well and looking forward to a brand-new year! I sure am! COVID GO AWAY!!

I have an announcement... we have a job opening for a City Recorder!! If you are interested, you can find all the information posted on our City website at: www.sodaville@cityofsodaville.org - Best of luck to all that apply!!

We are still working on the Intertie water pipeline project from Lebanon into Sodaville. It's a long process and there are many hours spent looking for grants and funding so please be patient with us as it takes a large team to get this approved for our small city. Until then, we are at the mercy of the weather to keep us afloat during the extreme droughts we have been experiencing. Keep your fingers crossed this happens soon everyone!!

- Mayor Lori L. McAllen

PUBLIC WORKS UPDATE

Unfortunately, we are still under water restrictions. I would like the citizens of Sodaville to consider making it a habit to continually conserve water and in so looking for other ways to conserve. Next spring, summer, and fall could be considerably worse due to the lack of rain, as well as the lack of snowpack in all Western mountains.

- Public Works Director J D Burns

STRICK WATER RESTRICTIONS - 7/1/2021 UNTIL FURTHER NOTICE

City Resolution #03-01 in accordance with Ordinance #15-02 allows the City of Sodaville Water Utility to impose a penalty for unauthorized use. This penalty is \$500.00 per offence plus water used and will be enforced. This is a NO TOLERANCE ORDER.

CITY OF SODAVILLE FUTURE GOALS

Things we are looking into for the City of Sodaville:

- An online payment system.
- Newer more efficient water meters.
- New seating and picnic tables for the parks.
- More landscaping for the parks (Drought Tolerant Evergreens).
